No. 5:15-cv-2223 (USDC, N.D. OH)

Principal Terms of Class Settlement Agreement

1. Todd S. Elwert, D.C., Inc. and Sandusky Wellness Center, LLC ("Plaintiff") and Alliance Healthcare Services, Inc., Woodland Diagnostic Imaging, LLC, Alliance Healthcare, Inc. and Alliance Healthcare, LLC (collectively "Defendants") are the parties in the litigation captioned *Todd S. Elwert, D.C., Inc. v. Alliance Healthcare Services, Inc.* No. 5:15-cv-2223, which is consolidated with case *Sandusky Wellness Center, LLC v. Woodland Diagnostic Imaging, LLC, Alliance Healthcare Services, Inc., Alliance Healthcare, Inc., and Alliance Healthcare, LLC* - No. 5:15-cv-2673 (N.D., OH) (collectively referred to as the "Action"). Plaintiffs and Defendants are collectively referred to as the Parties. The Parties desire to enter into a settlement agreement to resolve the Action.

2. The Parties agree to the certification of a class for the purposes of settlement ("the Settlement Class"). The Settlement Class shall be described as follows: "All persons or entities who successfully received, on or about September 14, 2015, the Alliance Imaging Fax." A true and accurate copy of the Alliance Imaging Fax is attached hereto as Exhibit A. There are 1,733 persons/entities in Settlement Class, and these persons/entities ("the Settlement Class Members") are identified on a document (attached hereto as Exhibit B) called "Report Parameters."

3. The Parties agree to bargain in good faith to reach a formal settlement agreement to settle the Action and that such agreement ("the Settlement Agreement") shall contain the principal terms set forth herein and other usual and customary terms contained in class action settlement agreements of a similar type.

4. Defendants will make available a common fund of \$866,500.00 (the "Settlement Fund") to pay the amounts specified below. Defendants need not segregate funds or otherwise create a special account to hold the Settlement Fund. Defendants will not relinquish control of any money in the Settlement Fund until each of the below-described payments are due.

5. The Settlement Fund will be distributed on a "claims-made" basis as follows:

(a) Class Member Claims. Each settlement class member who submits a timely and valid claim shall be paid up to \$500.00. In the event paying \$500.00 for each timely and valid claim of the class members would cause the total payments to class members, along with the other payments described below, to exceed the Settlement Fund, each timely and valid claim by the class members shall be paid a *pro rata* share of the Settlement Fund that remains after deductions for attorney fees, expenses, incentive awards, and notice and claims administration costs. The payment of class members claims shall be made from the Settlement Fund.

(b) Notice and Claims Administrative Costs. Plaintiffs will select and hire a third-party to administer the class ("the Claims Administrator"). The Claims Administrator will issue the class notice, assist class members in completing and submitting forms, receive claim forms, and provide a list of approved and rejected claims to counsel for the parties. The Claims Administrator will provide copies of all approved claim forms to counsel for the parties upon request. The fees of the Claims Administrator and expenses of administration shall be paid from the Settlement Fund.

(c) Incentive Awards. Defendants agree to pay and will not oppose a request for an incentive award of up to \$8,250.00 to each Plaintiff for their participation in the litigation and service to the class (the "Incentive Awards"). The payment of Incentive Awards shall be made from the Settlement Fund.

(d) Attorney Fees. Defendants agree to pay and will not oppose a request by Class Counsel (Anderson + Wanca and Montgomery, Rennie & Jonson) ("Class Counsel") for attorney's fees in an amount up to one-third of the Settlement Fund (\$288,333.33). The payment of attorney fees shall be made from the Settlement Fund.

(e) Expenses. Defendants agree to pay and will not oppose a request by Class Counsel for an award of reasonable expenses. Expenses shall include, but not be limited to, ordinary litigation costs, travel expenses, postage, claims administrations expenses, etc. The payment of expenses shall be made from the Settlement Fund.

Any funds remaining in the Settlement Fund after the payment of class member claims, notice and claims administration costs, incentive awards, attorney fees, and expenses shall be retained by the Defendants.

6. Notice to Settlement Class Members. A settlement notice and claim form will be sent to the settlement class members by both facsimile and email, using the facsimile numbers and email addresses in the Report Parameters. If the notice to each class member is unsuccessful after three attempts, notice to that class member shall then be mailed via the address listed for that class member in the Report Parameters. The costs of notice shall be paid from the Settlement Fund. The claim form to be submitted by settlement class members shall be in the form attached hereto as Exhibit C to the Term Sheet.

7. Release. Subject to and effective upon payment of all monies due under the Settlement Agreement, all Settlement Class members who are not validly excluded from the Settlement Class as determined by the Court, shall release Defendants from liability for any violations of the Junk Fax Prevention Act occasioned by their receipt of the Alliance Imaging Fax.

8. The Parties agree and acknowledge that any person or entity who is not a party to this Term Sheet or the subsequent Settlement Agreement in the Action who receives a release is an intended third party beneficiary of this Term Sheet and the subsequent Settlement Agreement in the Action.

9. Counsel for the settlement class members or the claims administrator shall inform Counsel for Defendants of the total number of valid claims to be paid by Defendants fourteen days prior to the date set by the Court for the final approval hearing.

10. This Term Sheet constitutes a binding agreement if accepted. The Parties will agree to submit a formal written settlement agreement (the "Settlement Agreement") and other papers necessary to obtain the Court's preliminary and final approval of this settlement in the Action. Within fourteen days after this Term Sheet is signed, Plaintiffs' counsel will draft and provide a proposed Settlement Agreement for defense counsel's review, revisions, and approval. The Parties anticipate seeking preliminary approval from the Court within twenty-eight days of signing this Term Sheet. The Parties may seek the Court's assistance should there be any dispute regarding the terms of the written Settlement Agreement. This Term Sheet may be

executed in counterparts and signatures by facsimile, email or electronic signatures shall be treated as original signatures.
